

42 Day Bible Reading Plan # 7

Dear Church Family,

This Reading Plan will incorporate the Poetry of the Song of Solomon, celebrating the proper relationship of love between one man and one woman.

It will continue the historical events as recorded in Ezra, Nehemiah and Esther following the completion of the 70 year captivity of the Southern Kingdom of Israel into Babylon. The fulfillment of God's promise to return His people to their homeland and the struggles they faced.

And finally, the wisdom literature of Job, the historical account of a man's suffering. It grapples with the proper view of suffering among the people of God and where true wisdom is found.
