

# *62 Day Bible Reading Plan # 8*

Dear Church Family,

This Reading plan will focus upon two of Jerusalem’s Major Prophets;

Isaiah – who’s prophetic activity (740-687 BC) focused upon Israel’s destiny of both judgment for their dependence upon other nations and their lack of trust in YHWH and their subsequent destiny of salvation through YHWH’s Suffering Servant (Isaiah 53).

Jeremiah – known as the “Weeping Prophet,” who’s prophetic activity (627-585 BC) laments the judgment of Judah due to their unfaithfulness to YHWH before their subsequent fall into captivity to Babylon. Though they will fall into captivity YHWH will restore them. The Book of Lamentations, accredited to Jeremiah, are 5 laments over the fall of Jerusalem, focusing on the justice of YHWH and the hope that finally lies within YHWH’s character and love.
